RESOLUTION 593

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF POINT ROBERTS WATER DISTRICT NO. 4 OF WHATCOM COUNTY, WASHINGTON, ESTABLISHING REVISED WATER METER INSTALLATION CHARGES AND REPEALING RESOLUTIN NO. 546.

WHEREAS, Point Roberts Water District No. 4 ("District") has established charges to install water meters to provide water service to District customers; and

WHEREAS, The District now desires to update and increase the charges for the installation of water meters where a service currently exists and for full installations of water meters to fully recover the costs incurred by the District for such installations, including the cost of permits from other governmental agencies owing or controlling the right-of-way in which meter installations may occur; now, therefore,

BE IT RESOLVED, by the Board of Commissioners of Point Roberts Water District No. 4, Whatcom County, Washington, as follows:

1. Existing meter Service: The following schedule of charges shall apply To all meter installations within the District not requiring the installation Of a water service line or meter box:

<u>Meter Size</u>	<u>Charge</u>
5/8" by 3/4"	\$150.00
3/4" by 3/4"	150.00
1" by 1"	300.00
Meters > 1"	

As determined by the District based on actual installation cost plus twenty (20) percent for overhead expenses.

2. New/Full meter installation: All full meter installations (service line or meter box) shall be charged at the rate of the District's actual time and Material charges incurred plus twenty (20) percent for overhead expenses. Additionally, any party or applicant for water service requiring a full meter installation shall deposit with the District the sum of \$2,000.00 ("Deposit") before initiation of the installation, together with a non-refundable fee of \$150 for right-of-way or other permitting fees or

costs incurred by the District from other governmental agencies owing or controlling the right-of-way in which the meter installation may occur. The Deposit shall be applied to actual charges incurred by the District, provided the applicant shall be required to pay to the District any fees, costs and charges exceeding the Deposit prior to receiving District water service.

3. Original Developer installed meter services, or any existing meter services which have not been active for 15 years or longer, shall be replaced with all new materials.
4. District Resolution No. 546 is hereby modified, amended and superseded to be in accordance with the provisions of this resolution.
5. This resolution and the policies, fees and procedures set forth herein shall be effective on the date set forth below.

ADOPTED by the Board of Commissioners of Point Roberts Water District No. 4 Whatcom County, Washington, at the regular open public meeting held on September 13th, 2007.
